Drew Pilant is working with me. But Lourdes is a great option if Drew has problems.

Thanks. Yes, I am part of that, staying an extra day to talk about some science.

Have a few PFAS issues for you

Hi Andy,

Either Tuesday pm or Wednesday am is fine. I imagine you know about, and probably are coming with, the contingent visiting us regarding our move out of our building, for which there is an all-hands Tuesday morning?

Thanks,  
John

Hi John, I'll be in Athens next week, wondering if you have 30 mins to visit either Tuesday pm or Wednesday am. Nothing urgent, if you are jammed moving your lab it can wait and we can connect by phone later. Let me know, thanks, Andy
